Mr. Usman Farooq

Appreciation Letter

It is highly gratifying that despite multiple challenges and constraints NUST School of Electrical Engineering and Computer Science managed to successfully organize the Open House 2023 event at the H-12 campus. I would like to express my deep appreciation for your invaluable contribution to this grand occasion. The accomplishment of this magnitude is attributed to the blessings of the Almighty and the wholehearted involvement of each team member. You should take pride in your exceptional efforts that led to its remarkable success.

I extend my sincere gratitude for a job well done and hope that you will continue to approach your work with the same enthusiasm, energy, and dedication. Let us strive to uphold our commitments in establishing SEECs as a true symbol of excellence, reflecting the progressive vision of the National University of Sciences and Technology.
