To Whom It May Concern,

This is to confirm that Miss. Sania Ikram, D/O of Mr. Ikram ul haq, holding CNIC No. 36302-9107820-2, worked as a MS student under my supervision at National University of Medical Sciences, Rawalpindi Pakistan from 23rd September 2024 to 8th September 2025.

During her time with us, Miss. Sania Ikram worked on her MS thesis project titled "**Genome-Based Perspectives of Aerobic Bacteria Isolated from Healthy Human Gut**". Her work involved cross interactions, resistome, culturomics and WGS data analysis. Her work was crucial in meeting project milestones, and her professionalism and attention to detail were highly valued.

We wish her all the best in her future endeavors.

Sincerely,

Dr. Raees Khan, PhD
