Recommendation Letter

As the Associate Professor of BIIT, I know Salahuddin since 2022. He has been a tremendous student. I would like to take this opportunity to recommend Salahuddin for your graduate program.

I feel confident that he will continue to succeed in his studies. Salahuddin is a dedicated student and thus far his grades have been exemplary. In class, he has proven to be a take-charge person who is able to successfully develop plans and implement them.

Salahuddin has also assisted student as coordinator. He has successfully demonstrated leadership ability by counseling new and prospective students. His advice has been a great help to these students, many of whom have taken time to share their comments with me regarding his pleasant and encouraging attitude.

It is for these reasons that I offer high recommendations for Salahuddin without reservation. His drive and abilities will truly be an asset to your establishment. If you have any questions regarding this recommendation, please do not hesitate to contact me.
