## EDITOR/ DESIGNER/VIDEOGRAPHER

### ABOUT ME

Creative and technically proficient Video Editor and Cameraman with over a decade of hands-on experience in the media production industry. I specialise in high-quality visual storytelling, encompassing live broadcasting, drama shoots, commercial song videos, and short films. I am highly skilled in industry-standard editing software, including Adobe Premiere Pro, Edius, and Filmora, complemented by a deep understanding of cinematography and drone operation. Having worked with major outlets like Geo Kahani and various production houses, I bring a detail-oriented approach to every project, ensuring seamless transitions and compelling narratives.
