Subj: Experience Letter for Khadija Sikandar

Khadija Sikandar was employed as a primary English teacher with SLS Montessori, School & College (Zaraj Campus) from February 2023 to June 2025. She works collaboratively with others on a team, performs her duties diligently, and brings a positive attitude to the work environment.

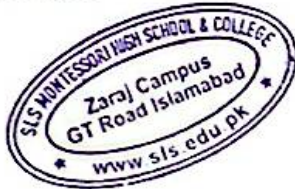

We had zero issues with her during her employment, and rarely had to counter-check her because she worked hard and with integrity.

She would ask for guidance when needed, and knew when to escalate issues. She was one of our top performing teachers.

We wish her success in her future endeavours and strongly recommend her as a professional reference.

Sincerely,

Tim
