

MUHAMMAD ARSLAN

03035025453 | m.arslankabir123@gmail.com

OBJECTIVE

Experienced Telecommunication Specialist with extensive expertise in Fiber to the Home (FTTH) planning. Proficient in designing efficient network topologies, planning strategic fiber routes, and selecting appropriate equipment to ensure optimal performance and cost-effectiveness.

EXPERIENCE

GIS ANALYST

PTCL | 2023 ***

Experienced in using Geographic Information Systems (GIS) to collect, visualize, and interpret complex geospatial data. Skilled in creating detailed maps, performing spatial analysis, and integrating GIS technology into decision-making processes. Proficient in GIS software such as ArcGIS with strong abilities in geospatial modeling, data visualization, and database management. Adept at collaborating with cross-functional teams to provide actionable insights and solutions for urban planning, environmental studies, and infrastructure projects.

TELECOM SUPERVISOR

PTCL | 2019 – 2023

As a Telecommunications Supervisor, I was responsible for overseeing the daily operations of telecommunication teams, ensuring the efficient deployment, maintenance, and troubleshooting of telecom systems and infrastructure. I provided leadership, guidance, and technical support to field technicians and engineers, ensuring projects were completed on time, within budget, and in compliance with industry standards.

EDUCATION

BS ENGINEERING TECHNOLOGY (ELECTRICAL)

2018-2022

SKILLS

- Team Leadership & Management
- GIS Mapping & Analysis
- Fiber Network Design
- Site Surveys & Assessments
- Stakeholder Coordination
- Network Troubleshooting
- Splicing & Termination
- Quality Assurance & Compliance
- Documentation & Reporting
- Microsoft office Suit
