SUMMARY

As a recent graduate with a Bachelor's degree in Economics from Quaid-e-Azam University, I have developed a solid foundation in economic theories and quantitative analysis. I am proficient in data analysis and visualization tools, including Microsoft Excel, Power BI, Tableau, and R language. My goal is to leverage these skills in a dynamic work environment to contribute to data-driven decision-making and help drive business insights. I am eager to take on new challenges and further develop my expertise in the field of economics and data analytics.

SKILLS

PROFESSIONAL

- Data Analysis
- Power BI, R Studio, Tableau
