PERSONAL INTRODUCTION AND CAREER OBJECTIVES

I am an MBA from Capital University of Science and Technology, Islamabad. Academically I have strong educational background augmented with more than a year of professional work experience at Castello Café Dubai as a Manager. But I wish to build my career in a more learned environment and secure a responsible career opportunity to fully utilize my skills and business study background to the maximum while making a significant contribution to the success of the company. A highly organized and hard-working individual looking forward to expand my learnings, knowledge and skills.

I pride myself on:

- being professional with technical expertise,
- adaptability and flexibility,
- the ability to listen and excellent communication skills,
- skills at building teams and relationships,
- exceptional forward thinking and visionary,
- task oriented and focus in challenging situations,
- patience and persistence, and
- hardworking and devoted to the organization.

My career path is relatively new and I wish to attain a challenging opportunity in a dynamic corporate environment that enables me to effectively apply myself in a manner that positively benefits the organization's goals and objectives and simultaneously contributes towards my career growth and personal and professional development. My learning curve in my field include;

- Financial advisory
- SWOT and GAP Analysis
- Resource planning
- Financial forecasts
- Management decision making
- Strategic planning
- Financial projections
- Team leadership
- Business process optimization
- Business valuations
- Team motivation
