HSSC F.G Degree College.	First Division	July 2009. Kharian Cantonment, Pakistan.
SSC Gujranwala Board of Secondary Education	First Division	July 2006. Gujranwala, Pakistan.

RESEARCH

My Masters Research work (Thesis) encompasses "asset pricing" the most tempting area of the finance as well as of economy. My study examines the significant profitability of three most pronounced trading strategies including value, momentum and contrarian strategies in the Pakistani market. It confirms the presence of momentum effect in the Pakistani market for the longer investment periods. It can provide opportunities to earn abnormal returns for local as well as foreign investors in the Pakistani stock market.
