Hassan Abdal Dist Attock Punjab Pakistan, 43260, Attock, Pakistan

GOLD MEDALIST | FULL STACK DEVELOPER

I am a Gold Medalist in Computer Science and a passionate software developer with experience in full-stack development across web, mobile, and desktop platforms. Proficient in both frontend and backend technologies, I focus on delivering high-quality, user-centric solutions. With a strong problem-solving mindset and a drive for continuous learning, I actively explore emerging technologies to stay ahead in the ever-evolving tech industry.
