## Profile

I'm a Graphic Designer with one year of experience creating eye-catching designs for both digital and print media. Skilled in Adobe Creative Suite (Illustrator, Photoshop, InDesign), I collaborate with teams to craft designs that align with brand identity and captivate audiences. From logos to social media visuals and marketing materials, I'm passionate about delivering high-quality, creative solutions while constantly refining my skills to meet client needs.

## Work Experience

### Graphics Designer

Jan 2025-Till Now

Onsol Tech Software House( RWP)

As a graphic designer at Onsol Tech, a software company, I specialize in crafting visually compelling designs for social media platforms, branding initiatives, marketing materials, and digital content, all aimed at elevating the company's software products and enhancing the overall user experience by seamlessly blending creativity with functionality to communicate the brand's message effectively and engage the target audience across various digital touchpoints

### Graphics Designer

Jan 2024-Dec 2024

24/7 Consultancy (SMC-PVT) LTD ( RWP)

I work as a graphic designer at 24/7 Consultancy (SMC-PVT) LTD, a medical billing company, where I focus on creating visually appealing designs for medical doctors, including social media graphics, branding, marketing materials, and digital content.

### Graphics Designer

March 2023-Nov 2023

Rezotera Software Company (Remote)

I work as a graphic designer at Rezotera, a software company, where I focus on creating visually appealing designs for social media, branding, marketing materials, and digital content to enhance the company's software products and user experience.
