

JAWAD KHAN

PhD Scholar

Research, Data Analysis and Monitoring & Evaluation

Current Address: Islamabad, Pakistan
Nationality: Pakistani
WeChat ID: JawadKhan_58
Mobile & WhatsApp No: +92-340-9878288
Email: jawadmarwat47@gmail.com
LinkedIn Profile link: <https://www.linkedin.com/in/jawad-khan-bb90b3205/>

➤ Professional Summary

Dynamic and results-oriented researcher with **over six years** of multidisciplinary experience spanning **Economics, Public Health, Business Marketing**, and five years of specialized expertise in Monitoring & Evaluation (M&E). Demonstrated success in leading evaluations across thematic areas including **Child Protection, Community Engagement, Gender, and Health**, in collaboration with major global development partners such as **UNICEF and UNHCR in Africa, Asia, and the Middle East**. Highly proficient in advanced statistical analysis and econometric modeling using tools such as **SPSS, Stata, and EViews**, with a strong command of **OECD-DAC** criteria and **UNICEF’s Geros** methodology to ensure rigorous and credible evaluations. Consistently delivers high-quality research outputs, including Evaluation Inception Reports, Frameworks, and Final Evaluation Reports, that meet international standards. Published author of **15+ peer-reviewed research papers** in internationally recognized journals, contributing to evidence-based policy and academic discourse. A proven leader in research management, proposal writing, and data visualization, with a hands-on approach to both qualitative and quantitative methodologies. Active reviewer and editor for academic journals, with a strong focus on **health economics, sustainable development, econometrics, and governance**.

➤ Academic Qualification

Degree	Institution/Board	Session/ Year	Division	Key Subjects
PhD Applied Economics (Cont)	Xi'an Jiaotong University China	2021-25	1 st Division	Macroeconomics, Microeconomics, Econometrics, and Economic Research Methodology
MPhil Health Economics	Pakistan Institute of Development Economics, Islamabad Pakistan	2018-20	1 st Division	Biostatistics, Health Care and Financing, Research Methods, Hospital Management, Decision Modeling and Health Economics Evaluation, Health Policy and Planning, Economics of International Health and Ethics in Health Care
B.S Economics (Hons)	Gomal University, Dera Ismail Khan Pakistan	2013-17	1 st Division	Microeconomics, Macroeconomics, Econometrics and Statistics
Intermediate	B.I.S.E, Dera Ismail Khan Pakistan	2011-13	2 nd Division	Mathematics, Statistics, and Economics
Matriculation	B.I.S.E, Dera Ismail Khan Pakistan	2011	1 st Division	Biology, Chemistry, Physics and Mathematics

Short Course Certificates

1. 03 Months Course of Basic Computer IT.
2. English Proficiency Certificate from Pakistan Institute of Development Economics
3. Data Science and Analysis for Health Research Using Stata Software organized by Xi'an Jiaotong University China
4. Prevention of Sexual Exploitation and Abuse (PSEA)' certification organized by UNICEF
5. Principles of Machine Learning for Official Statistics and SDGs organized by United Nations Statistical Institute for Asia and the Pacific (SIAP)
6. Principles of Data Visualization for Official Statistics and SDG Indicators organized by United Nations Statistical Institute for Asia and the Pacific (SIAP)
7. The International Recommendations on Refugee, IDP, and Statelessness Statistics organized by ESCAP, SIAP, and EGRIS
8. The Second Online Course on Crime Statistics from a Gender Perspective, conducted by the United Nations Office on Drugs and Crime (UNODC) in collaboration with SIAP and UNODC-KOSTAT Centre of Excellence
9. Harnessing the Power of Data to End Harmful Practices by UNICEF – Agora Platform

- 10. Multiple Indicator Cluster Survey eLearning Course by UNICEF
- 11. Child Rights Toolkit: Integrating Child Rights in International Partnerships by UNICEF
- 12. Child Protection Systems Strengthening: Approach, Benchmarks, and Interventions by UNICEF
- 13. Strategies to strengthen the Social Service Workforce for Child Protection by UNICEF
- 14. Webinar: Advanced Search Techniques E-Library of the Research Methodology Course 2025 by

➤ Academic Research Work

- 1. **BS Thesis (Research Work)**
The Impact of Foreign Direct Investment on Trade Deficit in Pakistan
- 2. **MPhil Thesis (Research Work)**
Public Health Expenditure and Economic Growth Nexus in South Asia
- 3. **PhD Thesis (Research Work)**
Research Area: Eco-Innovation and Economic Growth

➤ Published International Evaluation Programme Reports

- 1. Mid-Term Evaluation of UNICEF’s Youth Economic Engagement Programme in Jordan (Jan 2018 – Dec 2019). **GEROS Rating Exceptional**

➤ Professional Experience:

1. **Position: Researcher and Data Analyst (May 2025 to Present)**
Organisation: AAN Associates, Islamabad Pakistan

Project Name: End Line Impact Evaluation of the Emergency Social Cash Transfer Programme (ESCT) Zimbabwe

Donor and Client: UNICEF Zimbabwe

- **Comprehensive Desk Research:** Conducted extensive desk research on relevant programmes and interventions in Zimbabwe, reviewing policies, programme documents, and reports to provide evidence-based insights that informed the evaluation process.
- **Evaluation Matrix:** Developed an Evaluation Matrix based on OECD DAC Criteria, ensuring the structure of the evaluation framework was comprehensive and aligned with international standards.
- **Evaluation Inception Report:** Drafted the Evaluation Inception Report in accordance with UNICEF GEROS (Global Evaluation Reports Oversight System) methodology, ensuring the report met the required evaluation standards.
- **Tool Design & Preparation:** Developed qualitative and quantitative data collection tools (KIIs, FGDs, Most Significant Stories), integrating OECD-DAC principles to capture comprehensive field insights.

2. Position: Data Analyst (April 2025)

Organisation: AAN Associates, Islamabad Pakistan

Project Name: Process Evaluation for BNP-Supported SBC communication Interventions

Donor and Client: UNICEF Pakistan

- **Household Survey Analysis:** Led the data cleaning, preparation, and analysis of 280 household surveys across Pakistan for the evaluation of Social and Behaviour Change (SBC) interventions under the Benazir Nashonuma Programme. Identified key indicators related to knowledge, behavior change, and uptake of nutrition-related services among pregnant and lactating women.
- Supported data validation, disaggregation, and visualization processes for integration into evaluation findings.
- Collaborated with field teams and evaluation specialists to ensure data accuracy and alignment with the evaluation matrix.

3. Position: Data Analyst (December 2024 to January 2025)

Organisation: AAN Associates, Islamabad Pakistan

Project Name: Outcome Evaluation of UNICEF Contributions to Pakistan's Approach to Total Sanitation (PATs) Goal of Ending Open Defecation (2018 – 2022)

Donor and Client: UNICEF Pakistan

- **Household Survey Analysis:** Analyzed 3,611 Household Surveys across Pakistan, identifying key indicators and trends related to sanitation practices and the progress towards the PATs goal of ending open defecation.
- **School Assessments Evaluation:** Evaluated 75 School Assessments, comparing findings with baseline data to assess progress and identify gaps in sanitation facilities and hygiene practices.
- **Healthcare Facility Benchmarking:** Reviewed and analyzed 19 Healthcare Facility Assessments, benchmarking findings against previous reports to ensure a comprehensive evaluation of sanitation improvements in healthcare settings.

4. Position: Data Analyst (December 2024 to January 2025)

Organisation: AAN Associates, Islamabad Pakistan

Project Name: Evaluation of the Emergency Transit Mechanism Project in Niger

Donor and Client: UNHCR Niger

- **Comprehensive Desk Research:** Conducted extensive desk research on relevant programmes and interventions in Niger, reviewing policies, programme documents, and reports to provide evidence-based insights that informed the evaluation process.
- **Evaluation Matrix Development:** Developed an Evaluation Matrix based on OECD DAC Criteria, ensuring the structure of the evaluation framework was comprehensive and aligned with international standards.
- **Evaluation Inception Report:** Drafted the Evaluation Inception Report in accordance with UNHCR's GEROS (Global Evaluation Reports Oversight System) methodology, ensuring the report met the required evaluation standards.

5. Position: Project Officer/ Research Analyst (October 2024 to June 2025)

Organisation: AAN Associates, Islamabad Pakistan

Project Name: Evaluation of Uganda Child protection Programme CPP (2021 – 2024)

Donor and Client: UNICEF Uganda

- **Desk Research & Policy Analysis:** Conducted comprehensive desk research on Uganda's child protection initiatives; analyzed policy documents and programme frameworks to support the evaluation objectives.
- **Evaluation Framework Development:** Designed the evaluation matrix aligned with OECD-DAC criteria (Relevance, Effectiveness, Efficiency, Impact, Sustainability), serving as the foundational structure for the evaluation process.
- **Inception Report Development:** Drafted the Evaluation Inception Report in compliance with UNICEF's GEROS (Global Evaluation Reports Oversight System) standards.
- **Stakeholder Coordination:** Collaborated remotely with local stakeholders in Uganda to contextualize findings and ensure alignment with cultural and operational realities.

- **Tool Design & Preparation:** Developed qualitative and quantitative data collection tools (KIIs, FGDs, case studies), integrating OECD-DAC principles to capture comprehensive field insights.
- **Data Collection & Monitoring:** Supported implementation and remote supervision of data collection activities to ensure quality and ethical compliance.
- **Data Analysis:**
 - **Qualitative:** Analyzed data from 36 KIIs, 18 FGDs, and 6 case studies.
 - **Quantitative:** Performed statistical analysis of outcome and output indicators using findings from desk reviews and field data.
- **Final Evaluation Reporting:** Synthesized research findings into the final evaluation report with a focus on evidence-based assessment and strategic recommendations.

Additional Core Experience

- **Financial Proposal Development:** Supported the preparation of technical and financial proposals for development evaluations, ensuring alignment with donor requirements and budgeting accuracy.
- **Sampling Design:** Assisted in developing context-appropriate sampling strategies, including sample size calculations for both quantitative and qualitative data collections.
- **Methodology Selection:** Proposed suitable evaluation and research methodologies tailored to project objectives, sectoral focus, and target population, ensuring methodological rigor and feasibility.

6. Data Analyst and Research Manager

Organisation: JK International Research Practice, Islamabad Pakistan

6 Years' Experience as Trainer & Supervisor (2018 to Present)

This is my own education and research center to provide complete guide and training on the following research activities.

- **Training and Supervision:** Provided comprehensive training and guidance to Master's, MPhil, and PhD students (both national and international) in various aspects of social research. Delivered expert training in topics including Research Proposals/Synopsis, Literature Review, Research Planning, Data Collection Tools, Data Analysis, Report Writing, and Publication Services.
- **Quantitative Data Analysis:** Specialized in Time Series Data Analysis, Panel Data Analysis, and Cross-Sectional Data Analysis (including Household and Primary Data). Conducted detailed data analysis to support research findings, employing advanced statistical techniques.
- **Qualitative Data Analysis:** Led Key Informant Interviews (KIIs) and Focus Group Discussions (FGDs), providing insights into qualitative data and interpreting findings for research projects.
- **Educational Contributions:** Played a key role in shaping research methodology curricula for graduate and postgraduate students, emphasizing practical application in real-world research settings.

7. Researcher at Community Healthcare Programme in South Africa

Full-time October 2022 – November 2022

Donor and Client: UNICEF South Africa

- **Literature Review and Data Analysis:** Conducted an extensive literature review and secondary data analysis to support program evaluation and decision-making.
- **Document Translation:** Provided precise and contextually accurate translations for program-related documents.
- **Data Management:** Managed an inventory of over 250 documents, ensuring accurate organization and streamlined access for project stakeholders.

8. Research Papers & Articles Reviewer

Research Journals ·Part-time

Jun 2022 - Present

Editor: Journal of Empirical Economic Review, Department of Economics, University of Management and Technology Lahore Pakistan

Journal Link: <https://ojs.umt.edu.pk/index.php/eer>

9. Editor of Research Papers

Research Journals ·Part-time

International Journal on Economics, Finance and Sustainable Development (IJEFS)

Journal Link <https://journals.researchparks.org/index.php/IJEFS/about>

10. Position: Researcher (Consultant) (July 2022 to October 2022)

Organisation: AAN Associates, Islamabad Pakistan

- **Research Development:** Developed comprehensive research proposals tailored to project requirements. Conducted thorough reviews of data results and interpreted findings to align with management expectations. Collaborated with the team to discuss conclusions and determine the way forward for projects.
- **Research Article Management:** Checked articles for plagiarism and ensured alignment with journal reporting and formatting guidelines. Incorporated feedback from internal reviewers and external journals to refine research articles. Reviewed and resolved any flaws or errors in research articles before submission. Assessed the credibility and impact factor of journals prior to publication.
- **Data Analysis:** Analyzed household survey data from Nigeria, Tanzania, and Pakistan related to birth registration, focusing on frequencies, percentages, and correlations.

- **French Translation:** Translated the final report of the "Summative Evaluation of Multisectoral Approaches to Public Health Emergencies" (UNICEF Democratic Republic of Congo) into French.

11. Position: Data Analyst (June 2022)

Organisation: AAN Associates, Islamabad Pakistan

Project Name: Digital Birth Registration in Pakistan

Programme Name: UNICEF Pakistan Digital Birth Registration

Donor and Client: UNICEF Pakistan

- **Household Survey Data Analysis:** Analyzed data from 864 household surveys, divided into treatment and control groups. Produced detailed cross tabulations and other descriptive statistical tables for robust quantitative analysis.
- **Quantitative Data Review:** Conducted comprehensive desk reviews of available quantitative data within project documents to ensure data consistency and relevance.
- **Technical Leadership in Data Analysis:** Led the quantitative analysis efforts, providing actionable insights to inform project outcomes and recommendations.

12. Position: Statistical Expert/Data Analyst (December 2021 to June 2022)

Organization: AAN Associates, Islamabad Pakistan

Project Name: Summative Evaluation of Multisectoral approaches to public health emergency by UNICEF in Democratic Republic of Congo

Programme Name: Outbreak of Multiple Public Health Emergencies (PHEs) Responses including Ebola Virus Disease (EVD), Cholera, COVID-19, Measles and Plague Diseases.

Donor and Client: UNICEF DRC

- **Quantitative Data Analysis:** Led quantitative data analysis, producing cross-tabulations and other descriptive statistical outputs for project insights. Analyzed data from a 400-household survey to assess program outcomes.
- **Secondary Research:** Conducted desk reviews of available quantitative data and relevant documents. Compiled a Democratic Republic of Congo Country Profile to support the evaluation framework.
- **Document Mapping and Management:** Mapped and cataloged over 5,000 project-related documents into a structured inventory. Translated more than 500 documents from French to English. Converted over 300 scanned PDFs into editable formats (Word and Excel) to facilitate analysis and reporting.
- **Research Tools and Sampling Design:** Designed sampling distribution and methodology for the 400-household survey. Developed and tested survey tools for household data collection. Created Focus Group Discussion (FGD) tools for qualitative insights.
- **Project Planning and Reporting:** Developed work plans and milestones to ensure timely project delivery. Assisted in drafting the inception report, including literature reviews and alignment with OECD DAC criteria: Relevance, coherence, effectiveness, efficiency, impact, and sustainability.
- **Final Evaluation Reporting:** Conducted desk research and synthesized findings for the final evaluation report based on OECD DAC evaluation principles.

13. Position: Projects Management (October 2021 to December 2021)

Organisation: AAN Associates, Islamabad Pakistan

Projects Management

- **Human Resource Planning:** Developed resource allocation strategies for evaluation projects, including defining roles, estimating effort levels, and calculating associated costs.
- **Project Administration:** Planned and streamlined administrative workflows to support the successful execution of projects.
- **Work Planning:** Designed detailed project micro work plans to ensure efficient task management and timely deliverables.
- **Financial Planning:** Prepared comprehensive project financial plans, aligning budgets with operational and evaluation objectives.

14. Position: Research Associate/Data Analyst (December 2019 to December 2021)

Organisation: AAN Associates, Islamabad Pakistan

Programme Name: Multi-Country Evaluation of Community Engagement to End Child Marriage and Female Genital Mutilation (2016-2019) in: Ghana, Guinea, Mali, Niger and Nigeria

Programmes Name: UNFPA-UNICEF Global Programme to Accelerate Action to End Child Marriage and the UNFPA-UNICEF Joint Programme on the Elimination of Female Genital Mutilation

Donor and Client: UNICEF WCARO

- **Country-Specific Contributions:** Developed country profiles for Ghana, Guinea, Mali, Niger, and Nigeria. Secured ethical approvals for field data collection in Ghana, Nigeria, Mali, and Guinea.
- **Document Management and Literature Review:** Mapped and organized over 500 project-related documents into an accessible inventory. Conducted comprehensive literature reviews for inception reports and final evaluations across five countries. Translated more than 200 documents from French to English. Converted over 100 scanned PDFs into editable formats (Word and Excel).
- **Survey and Data Management:** Designed sampling distribution and developed household survey tools for 400 households in each of the five countries, totaling 2,000 households. Conducted data analysis for the household surveys across all five countries. Created tools for Key Informant Interviews (KIIs) and

Focus Group Discussions (FGDs). Remotely monitored and managed field data collection for KIIs, FGDs, and household surveys.

- **Project Planning and Reporting:** Developed detailed work plans and milestones for each country. Contributed to the inception reports and social norms analysis for all five countries. Assisted in drafting and formatting final evaluation reports for Ghana, Guinea, Mali, Niger, and Nigeria.
- **Stakeholder Coordination and Resource Management:** Coordinated with core, international, and national team members, ensuring seamless communication among stakeholders. Managed resource hiring processes, including advertising, CV mapping, and conducting interviews across five countries. Tracked payments for stakeholders and team members to ensure timely disbursements.
- **Additional Contributions:** Prepared minutes of meetings and maintained documentation for project continuity. Designed and formatted final evaluation report documents for all five countries.

15. Position: Data Analyst (2020)

Organisation: AAN Associates, Islamabad Pakistan

Project Name: Mid-Term Evaluation of UNICEF’s Youth Economic Engagement Programme in Jordan (Jan 2018 – Dec 2019)

Programme Name: UNICEF Jordan Youth Economic Engagement Programme

Donor and Client: UNICEF Jordan

- **Survey Sampling and Design:** Designed and implemented sampling distribution for 250 surveys, targeting both Jordanian and Syrian nationalities.
- **Quantitative Data Analysis:** Led data analysis for 250 household surveys, producing cross-tabulations and other descriptive statistical outputs to inform the evaluation process.
- **Desk Review:** Conducted secondary research and desk reviews of available quantitative data from relevant project documents to support insights and recommendations.

16. Position: Research Associate (1st November 2019)

Organisation: AAN Associates, Islamabad Pakistan

Project Name: Birth Registration and Justice for Children in Angola

Programme Name: Birth Registration

Donor and Client: UNICEF Angola

- **Country Profiling and Document Management:** Developed a comprehensive Angola country profile to support project evaluation. Mapped and organized over 100 project-related documents, creating a structured inventory for easy reference.
- **Literature Review and Analysis:** Conducted an in-depth literature review for the Angola inception report. Prepared over 50 document summaries for inclusion in the inception and final evaluation reports.

17. Position: Research Associate (1st November 2019)

Organisation: AAN Associates, Islamabad Pakistan

Project Name: Consultancy Services for conducting a formative evaluation of the FamilyConnect programme in Uganda

Programme Name: UNICEF FamilyConnect programme in Uganda

Donor and Client: UNICEF Uganda

- **Country Profiling and Document Management:** Developed a comprehensive Uganda country profile to provide contextual insights for the evaluation. Mapped and organized over 100 project-related documents, creating a systematic inventory for streamlined reference.
- **Literature Review and Analysis:** Conducted thorough literature reviews for the inception and final evaluation reports. Prepared detailed summaries of over 30 key documents to support the evaluation findings and recommendations.

➤ Professional Computer /IT Skills

Software	Experience	Level of Expertise	Purpose of Software
1. SPSS	6 Years	Highly	To Analyzed Quantitative Cross-Section Data (Primary or Secondary)
2. EViews	6 Years	Highly	To Analyzed Quantitative Timeseries and Panel Data
3. Stata	4 Years	Highly	To Analyzed Quantitative both Cross-Section (Primary or Secondary) and Timeseries Data
4. MS Excel	6 Years	Highly	To Organize, Format and Calculate Data with Formulas
5. MS Word	6 Years	Highly	To allow users to type and save documents.
6. MS PPT	6 Years	Highly	To create professional-looking electronic slide shows.
7. MaxQDA	4 Months	Moderately	To analyzed qualitative data
8. R Software	6 Months	Moderately	To Analyzed Quantitative Both Cross-Section (Primary or Secondary) and Timeseries Data
9. Artificial Intelligence (AI)	6 Months	Highly	To Formulate and process complex information efficiently.
