## Projects

|                                                                                                                                                                                                                                                                                                         |                       |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| Poster & Social Media Post Design                                                                                                                                                                                                                                                                       | (Apr 2025 – May 2025) |
| Designed dynamic and engaging sports posters for events like badminton, cricket, and football during my time in COMECS and the COMSATS Sports Society. Each design reflected the sport’s energy and matched the event’s theme and branding. Also created social media posts for promotional activities. |                       |
| Logo Design                                                                                                                                                                                                                                                                                             | (Mar 2025 – Apr 2025) |
| Worked as a freelancer, designing 2–3 clean and brand-aligned logos for clients with a strong focus on visual identity.                                                                                                                                                                                 |                       |
| Banner Design & Vector Tracing                                                                                                                                                                                                                                                                          | (Feb 2024 – Mar 2024) |
| Created impactful banners for promotional events, academic programs, and society functions. Also skilled in vector tracing for clean and scalable graphic outputs.                                                                                                                                      |                       |
