WHAT TO EXPECT FROM PGCE/PGCert AT TILTI

- Study current, challenging educational issues.
- Access support for career planning and early professional development.
- Receive guidance and support from experienced tutors and mentors.
- Make the most of opportunities for reflective practice and research.

CAREER PROGRESSION
The structure of our PGCE includes both school-based and professional learning. Studying a Primary PGCE with TILTI means that you will spend a significant amount of your time in learning primary school teaching. On our Secondary PGCE, around two-thirds of your time will be spent in secondary schools practices and requirements. On our PGCert Courses you will experience & learn about school based leadership challenges & school management skills.

TIME COMMITMENT
PGCE/PGCert courses are intensive and challenging training courses but lead to a highly-regarded professional qualification and a rewarding career in teaching. PGCE courses start in every 6 months. PGCert courses start in every 2 months.

ACHIEVE The unknown greatness.
