

SABIR HUSSAIN

Dedicated and passionate health and physical education graduate seeking a position that utilizes my skills in promoting physical fitness and health education to foster a positive environment for students. Also sports coaching professional with over 6 years of experience in football training, youth development, and event coordination. Certified by The Football Association and other international bodies in multiple coaching, safeguarding, and performance courses. Proven leadership in managing football programs, enhancing team performance, and promoting player well-being. Adept at fitness training, nutrition planning, and rehabilitation support.
