SUMMARY

As a recent graduate in Architectural Engineering, I'm eager to enter the vibrant fields of design and construction. With a passion for turning ideas into reality, I'm actively pursuing entry-level opportunities to contribute to innovative projects and collaborate with seasoned professionals. I will bring fresh perspectives, boundless enthusiasm, and a keen appetite for learning to any team I join. My leadership potential and management abilities are assets poised to flourish in a collaborative setting, driving success in future endeavors.
