Islamabad, Pakistan

Profile

Social science researcher with interdisciplinary expertise in Applied Anthropology and Archaeology, combining theoretical insight with field-based empirical research. Experienced in ethnographic methods, cultural analysis, and strategic research writing, with a growing interest in the intersection of identity, belief systems, and socio-political structures in South Asia. Skilled in synthesizing qualitative data into actionable knowledge for academic, institutional, and policy-oriented audiences. Proven ability to work in research think tanks, contribute to institutional publications, and support academic event organization. Committed to academic excellence, culturally grounded inquiry, and teaching that bridges research with real-world relevance.

Academic Qualifications

MS in Social Sciences (Applied Anthropology)

Bahria University, Islamabad

-Thesis: Ethnic and Sectarian Dynamics of Shrine Culture in Pakistan: A Case Study of Kalyam Sharif

MSc in Social Sciences (Archaeology)
