PROFILE

I am committed to utilizing my skills to help others while working towards the mission of a company. Proven efficiency comes with the ability to quickly learn and navigate any computer software program, or office filing system. Technologically adept, offering experience with many different social media platforms, office technology programs, and advanced computer skills.

EMPLOYMENT HISTORY

Teacher, Rawalpindi

April 2016 — May 2017

- Created an engaging, student-centered classroom environment
- Developed innovative lesson plans that increased students' understanding of course material.
- Developed and implemented assessment tools to measure student progress
- Used data to inform instruction and identify areas of improvement
- Used technology in the classroom to improve student engagement and learning outcomes.
- Implemented creative teaching methods and activities to engage students and promote critical thinking
- Collaborated with other teachers to develop interdisciplinary projects that integrated computer science topics with other subjects
