SUMMARY

Passionate and dedicated Mathematics Tutor with over 6 years of experience teaching **IGCSE, GCSE, A-Level, IB**, and various international curricula. Skilled in delivering clear, patient, and results-oriented lessons covering Algebra, Calculus, Numerical Analysis, and Applied Mathematics. Proven ability to adapt teaching methods to individual student needs, including students from **Pakistan, UK, USA, Australia, and Middle East**. Certified by Your Cloud Campus and experienced in coordinating educational activities at the government school level. Committed to helping students achieve academic success through personalized lesson plans, continuous assessment, and progress tracking.

PROFESSIONAL EXPERIENCE

GCSE & GCSE Specialist | TeacherON Online Tutoring

Dec 2024 - Present

- Certified Math Tutor with 10,000+ hours of online teaching experience.
- Successfully taught students worldwide from the USA, UK, Canada, Australia, UAE, Saudi Arabia, Qatar, Oman, Japan, and Singapore.
- Specializing in IGCSE, GCSE (Edexcel, OCR & AQA), A-Level, Pure Mathematics (1, 2 & 3), Probability Statistics, Mathematical Methods, Numerical Analysis, Differential equation, Partial Differentiation, Calculus AB and BC, MYP Math, IB (SL/HL), SAT, ACT, and university-level math.
- Structured weekly learning plans tailored to each student
- Topic-wise concept teaching followed by past paper practice
- Weekly progress reports and quizzes - Clear, result-oriented and concept-based explanations
- Use of digital tools, whiteboards, and real-time feedback during sessions

Algebra, Calculus, IB Math Specialist | PREPLY Online Tutoring

Jan 2024 - Dec 2024

- Delivering personalized online math lessons to international students across the UK, USA, UAE, Canada, Australia, Qatar, and more
- Specialized in IGCSE, GCSE (Edexcel/AQA), A-Level, IB (SL/HL), SAT Math, and Foundation Math
- Completed 5000+ live teaching hours on PREPLY with a focus on concept clarity and exam preparation

IGCSE/GCSE Math Your Teacher | Your Cloud Campus

Oct 2023--Feb 2025

- Worked as a full-time Math tutor in an office-based international tutoring academy delivering live online sessions to students across the UK, USA, Canada, Australia, UAE, Saudi Arabia, Qatar, Oman, Singapore and other countries
- Specialized in IGCSE, GCSE (Edexcel & AQA), and foundational A-Level Mathematics
- Delivered over 3,000+ hours of interactive teaching, focusing on concept clarity, problem-solving, and exam strategy. Contributed to improved academic performance, with students consistently achieving A and A grades. Collaborated with internal teams to maintain teaching quality and meet international curriculum standards

Senior Math Teacher | Level Academy

Aug 2018 - Dec 2019

- Taught Mathematics to students of Grades 9 to 12, following national and international curriculum standards
- Specialized in Algebra, Trigonometry, Calculus, Coordinate Geometry, and Statistics
- Prepared customized lesson plans tailored to individual learning needs and grade level requirements
- Conducted regular class tests, monthly assessments, and provided performance feedback to students and parents
- Focused on concept clarity, exam techniques, and building students' problem-solving skills

EDUCATION

BS Mathematics (16 Year Education)

Aug 2019 - Sep 2023

- University of the Punjab, Lahore
- Key subjects: Topology, Vector Calculus, Differential Equations, Statistics, Algebra, Calculus, Mathematical Methods.

SKILLS

- IGCSE, GCSE, IB, A-Level Mathematics
- Algebra, Calculus, Numerical Analysis
- Online Teaching & Student Progress Monitoring
- Communication & Interpersonal Skills

CERTIFICATES

- Teaching Mathematics Certificate, **Your Cloud Campus**, 2023
- Teaching Coordinator Certificate, **Govt Girls High School**, 2017
