

BUSHRA ZAHOOR

MANAGEMENT SCIENCES LECTURER

House # 43 St # 43 Gulberg Green Islamabad
03335563597

Dear Sir/Madam,

I am writing to express my keen interest in a Lecturer position in the Department of Management Sciences. I am currently pursuing a Ph.D. in Management Sciences at COMSATS University Islamabad under the supervision of **Prof. Dr. Saqib Gulzar**. My doctoral research focuses on **examining the determinants of positive and negative green bubbles within sustainable indices**—an area that closely aligns with my academic interests in sustainable finance, environmental investing, and financial market behavior.

Prior to my doctoral studies, I earned a Master's degree in Management Sciences from the Capital University of Science and Technology (CUST), and a Bachelor's degree in Management Sciences from the University of Engineering and Technology (UET). These academic achievements have provided me with a strong foundation in finance, management, and research methodology.

In addition to my studies, I am actively involved in scholarly research, with two research papers currently under review for publication. My academic journey is driven by a deep commitment to both research and teaching, and I am passionate about contributing meaningfully to the field of sustainable finance.

I would be honored to bring my academic background and research expertise to your department and contribute to its teaching and scholarly objectives. I would welcome the opportunity to further discuss how my qualifications align with the goals of your institution.

Sincerely,

Bushra
