OBJECTIVE

My objective is to secure position in such an organization, which give challenges to my skills and where my hard-working capability and diligence is related to job security and satisfaction. I am passionate about empowering students with practical knowledge and critical thinking skills in software development and emerging technologies. Eager to contribute to academic growth through innovative teaching methodologies and research initiatives.

EDUCATION

Master of Science (Computer Science)

Oct 2022-Sep 2024

(CGPA: 3.61)

Arid Agriculture University Rwp

Bachelors of Science (Computer Science)

Oct 2013-Sep 1017

(CGPA: 3.16)

Arid Agriculture University Rwp

THESIS

Title: A multi aspect component-based software framework to enhance requirement prioritization.

Description: To contributes in the field of software engineering by providing a framework that improves requirement prioritization and component reuse, aiding developers in reducing redundancy and ambiguity. It enhances efficiency in software development processes, benefiting both project managers and stakeholders through improved project outcomes and higher satisfaction levels.

EXPERIENCE

Currently working as Visiting Lecturer in Rawalpindi Women University and Fatima Jinnah Women University.

1 Year TA ship experience in UIIT, Arid Agriculture University.

3 months experience as LDC/Junior Clerk in Fatima Jinnah Women University.

5 Years' experience as Office Assistant / Teacher in New Rawalpindi Grammar School.

CERTIFICATES

Video documentary competition Business Gala and IT EXPO, 2023

Organizer: UIIT, RIC, UIMS

AREA OF INTEREST

- Requirement Prioritization
- Software Engineering
- Requirement Engineering
- Design Pattern and Analysis
- Software Quality Assurance
- Multi Aspect
- Component Based Software Development
