PROFESSIONAL SUMMARY:

A results-driven professional with over two decades of diverse experience in **education management, career counseling, teacher training, and program administration**. I bring expertise in **leading community education programs, managing scholarships, overseeing operations, supporting learning, and coordinating with multiple stakeholders to foster youth development through life skills training and mental health education**. My qualifications include an MA in Educational Planning and Management and a B.Ed., complemented by national and international certifications in career counseling, mental health, and academic skills enhancement. Skilled in public speaking, stakeholder engagement, and program execution, I have a proven track record of collaboration across various departments and institutions to achieve strategic objectives. Core competencies include program management, capacity building, career advisory services, monitoring and evaluation, and community outreach. Proficient in MS Office and multilingual in English, Urdu, and Shina, with additional knowledge of Arabic, Persian, and Khwar. Passionate about driving institutional growth and fostering educational excellence.
