OBJECTIVE

A motivated International Relations graduate with a strong academic background in Pakistan Studies, political history, and governance, seeking a teaching position where I can effectively deliver Pakistan Studies concepts while fostering critical thinking and civic awareness among students.

EXPERIENCE

Intern, Institute of Regional Studies (IRS), July 2024 – September 2024

- Assisted in research on regional politics, security, and foreign policy
- Contributed to policy briefs, reports, and analysis on South Asian affairs
- Gained practical exposure to academic research and policy analysis

Teacher, Lahore School System, 2020 – 2021

- Taught [Pakistan Studies, English] to primary-level students
- Designed and delivered lesson plans to enhance student understanding and engagement
- Conducted assessments and provided feedback to support student learning and improvement
- Encouraged critical thinking, discussion, and active participation in the classroom
