PROFILE

Optometrist with hands-on clinical exposure in OPD-based eye care, refraction, slit lamp examination, and basic ocular disease management. Experienced in handling high patient volumes, maintaining accurate clinical records, and working under senior ophthalmologists. Familiar with hospital protocols and patient-centered care in public healthcare settings.

WORK EXPERIENCE

- Fawad Eye Care Clinic, Rwp**
Optometrist

APRIL 2025- PRESENT

 - Managed high-volume patient flow in the eye OPD, performing accurate refraction, visual acuity, and slit-lamp examinations, while maintaining meticulous clinical records under supervision.
 - Assisted in pre- and post-operative care of cataract patients, contributing to improved visual outcomes and patient satisfaction in routine surgical follow-ups.
- Muhammadi Medical Trust Hospital, LHR**
Optometrist

Jan 2025-Mar 2025

 - Performed comprehensive eye examinations including refraction and slit-lamp biomicroscopy for a diverse patient population.
 - Assisted in diagnosing and managing common ocular conditions, documenting patient progress accurately, and coordinating with multidisciplinary teams to ensure effective patient care.
- Jameela Eye Hospital RYK**
Optometrist

Sep 2024-Dec 2024

 - Improved my communication skills, professional attitude towards work, diagnosing speed, and handling patients.
 - Learned independently practice of refraction and primary diseases of eyes.
