

Curriculum Vitae

HINA HABIB

Profile Introduction.

Hina Habib holds an MPhil in International Relations from Fatima Jinnah Women University, Rawalpindi, Pakistan. Presently, her research focused on Disaster Resilience and Climate Change in Pakistan. Hina serves as a Research Associate at Eurasian Century Institute, Islamabad, and her research is focused on Pakistan and the region, especially in the context of regional connectivity and emerging security challenges. She has also contributed as a freelancer to multiple research and current affairs covering organizations. From 2011 to 2013, she worked as Assistant Research Coordinator at the Islamabad Institute of Policy Studies, with a focus on South Asia and Politics in Bangladesh. In addition to this, she studied emerging and contemporary security challenges in Pakistan, with a special focus on the security challenges in Balochistan. She contributes opinion pieces to different dailies in Pakistan.
