

SAFEER HUSSAIN

IT Instructor | Computer Science Graduate | Network & Web Development Specialist
+92 331 8805110 | safeerhussain1209@gmail.com | Dera Ismail Khan, Pakistan

PROFESSIONAL SUMMARY

Results-driven Computer Science graduate (CGPA 3.90/4.00) with demonstrated expertise in IT instruction, computer networking, web development, and technical support. Proven track record of delivering high-impact academic instruction across multiple institutions, designing curriculum, and guiding students through complex technical concepts including C/C++ programming, network configuration, and modern web technologies. Adept at troubleshooting IT infrastructure, coordinating academic operations, and translating technical knowledge into accessible learning experiences. Committed to leveraging technical proficiency and leadership capabilities to drive organizational growth in IT, networking, education, or technical support environments.

CORE COMPETENCIES

- Computer Networking & Infrastructure
- IT Technical Support & Troubleshooting
- Web Development (HTML, CSS, JavaScript)
- C / C++ Programming
- Academic Instruction & Curriculum Design
- IT Coordination & Operations Management
- Database & System Administration
- Data Analysis & Reporting
- Classroom & Lab Management
- Problem Solving & Analytical Thinking
- Presentation & Communication Skills
- Time Management & Prioritization

PROFESSIONAL EXPERIENCE

Information Technology Instructor / IT Coordinator | Telecom Foundation School Oct 2025 – Present
Dera Ismail Khan, Pakistan

- Deliver comprehensive IT and computer science lectures to 100+ students using modern, outcome-based teaching methodologies, resulting in measurable improvement in student performance.
- Coordinate all academic IT activities including scheduling, lab supervision, and technical operations, ensuring seamless institutional IT functionality.
- Design and implement practical training modules covering computer networking, software applications, and system management aligned with national curriculum standards.
- Evaluate student performance through structured assessments, assignments, and practical examinations, maintaining detailed academic records and performance analytics.
- Collaborate with administration in curriculum planning, academic policy formulation, and institutional IT strategy development.
- Troubleshoot hardware and software issues across institutional systems, minimizing downtime and maintaining a productive learning environment.

Senior Lecturer – Information Technology | Leeds Boys College Jul 2025 – Oct 2025
Dera Ismail Khan, Pakistan

- Conducted structured lectures on Information Technology and computer science, covering networking fundamentals, operating systems, and software development.

- Developed comprehensive lesson plans, assignments, and examination papers aligned with institutional and board-level academic standards.
- Facilitated practical lab sessions enabling students to apply theoretical knowledge in real-world programming and networking scenarios.
- Mentored students in technical concepts, programming languages (C/C++), and problem-solving methodologies, boosting academic outcomes.
- Maintained accurate academic records and generated performance reports for faculty review and institutional compliance.

Visiting Lecturer – Information Technology | Allied College Kamal Campus

Feb 2025 – Jun 2025

Dera Ismail Khan, Pakistan

- Delivered engaging lectures on IT fundamentals, computer science, and digital literacy to undergraduate students, ensuring comprehension of core technical concepts.
- Guided students through practical applications of networking principles, programming logic, and software tools.
- Maintained classroom discipline, enforced academic integrity, and upheld institutional standards throughout the semester.
- Supported student success through targeted one-on-one guidance on programming assignments and technical projects.

EDUCATION

Diploma in Information Technology (DIT)

Nov 2025 – Present

Superior Professor Institute, Dera Ismail Khan, Pakistan

Bachelor of Science in Computer Science (BSCS)

Sep 2020 – Aug 2024

Gomal University, Dera Ismail Khan, Pakistan

- CGPA: 3.90 / 4.00 | 4th Position Holder in Department

Higher Secondary School Certificate (ICS)

2018 – 2019

Gov Degree College No. 2, Dera Ismail Khan, Pakistan

- Marks: 880 / 1100 | 80% | 4th Position Holder

Secondary School Certificate – Science Group

2016 – 2017

The Knowledge Home School, Dera Ismail Khan, Pakistan

- Marks: 842 / 1100 | 75%

CERTIFICATIONS

- Web Development Internship Certificate — Code Alpha
- Network Technician Certificate — Cisco Networking Academy
- IoT & Digital Transformation Certificate — Cisco Networking Academy
- Customer Relationship Management Certificate — HP Foundation
- Social Media Marketing Certificate — HP Foundation

TECHNICAL SKILLS

- Networking: TCP/IP, LAN/WAN Configuration, Network Troubleshooting, IoT Infrastructure
- Programming Languages: C, C++, HTML, CSS, JavaScript
- Web Development: Responsive Design, Web Portals, Front-End Development
- Systems: Windows OS, Linux Fundamentals, System Administration
- Productivity Tools: Microsoft Office Suite (Word, Excel, PowerPoint)
- IT Support: Hardware Diagnostics, Software Troubleshooting, Help Desk Operations
- Database Management: Relational Databases, Data Entry, System Records Management

KEY PROJECTS

Face Mask Detection System — Final Year Project

- Engineered an AI-powered real-time face mask detection application for public safety monitoring, integrating computer vision algorithms to achieve high detection accuracy.

Hotel Management System

- Designed and developed a full-featured hotel operations management system handling customer records, bookings, billing, and administrative workflows.

BISE Web Portal

- Developed a web-based information management portal for educational board operations, enabling streamlined data access and student record management.

Age Calculator Web Application

- Built an interactive, responsive web application using HTML, CSS, and JavaScript, demonstrating proficiency in front-end development and UI/UX design principles.

ACHIEVEMENTS & RECOGNITION

- IBCC Recognition — Awarded for academic distinction at the national level.
- Saraiki Talent Award — Recognized for outstanding contributions and achievements.
- BISE Scholarship Recipient — Awarded merit-based scholarship for exceptional academic performance.
- 4th Position Holder — Consistently ranked among top performers at both university and college levels.

VOLUNTEER EXPERIENCE

Polio Eradication Program Volunteer | Dera Ismail Khan, Pakistan

2019 – 2020

- Supported national healthcare teams in community awareness campaigns and polio vaccination drives, demonstrating social responsibility and teamwork.
- Coordinated logistics for community outreach programs across multiple districts, contributing to public health improvement initiatives.

LANGUAGES

- Urdu — Native Proficiency
- English — Fluent / Bilingual Proficiency
