ABOUT

A motivated and detail-oriented graduate with a Bachelor's degree in Biotechnology, complemented by a three-month practical training course as a Lab Technician from AIMS Hospital, Muzaffarabad. Possesses a strong understanding of laboratory techniques, sample handling, and basic diagnostic procedures. Demonstrates excellent analytical skills, accuracy in record-keeping, and adherence to safety protocols. Eager to contribute to a dynamic healthcare or research environment while continuing to develop professional expertise in laboratory sciences

TECHNICAL SKILLS

Regulatory Compliance	Time Management	Haematology Testing
Data Recording	Report Preparation	Attention to Detail
Team Collaboration	Analytical Thinking	Biochemistry Testing
Specimen Handling	Microbiology Procedures	Laboratory Safety
Quality Control	Diagnostic Techniques	Serology Analysis

EXPERIENCE

Lab Technician	Jan 2026 – April 2026
AIMS Hospital • Muzaffarabad, Azad Kashmir	
Performed routine laboratory procedures across Haematology, Serology, Biochemistry, and Microbiology sections, including sample collection, labeling, and processing. Assisted in conducting diagnostic tests, maintaining accuracy and quality control of results, and ensuring proper handling of laboratory equipment. Followed strict safety and hygiene protocols while managing patient samples. Demonstrated strong attention to detail, teamwork, and the ability to work efficiently in a fast-paced clinical environment.	

EDUCATION

Matric	July 2019
Army Public School & Collage System Ghari Dupatta • Ghari Dupatta, Azad kashmir, Pakistan	
Intermediate	October 2021
Govt Model Science Collage Muzaffarabad • Muzaffarabad, Azad Kashmir	
BS Bio-Technology	December 2025
University of Azad Jammu & Kashmir • Muzaffarabad, Azad Kashmir	
GPA: 3.54/4.0
