📁 PROJECTS

Newspaper writing

Stratheia and "The Spokesman".

2025

As a Regular contributor to "The Spokesman", and Stratheia reputable daily newspapers, I have honed my writing skills and developed a keen understanding of current events and social issues. With a focus on delivering high-quality content, I have written articles on various topics, including Current affairs highlighting issues in Pakistan and many news articles centered around World Politics highlighting issues in countries like USA, Russia, Iran and Israel.

Topics:

- **"Israel-Iran conflict in the Middle East and Regional Instability".**

- **"Resource Exploitation and Economic Grievances: Fueling Insurgency in Balochistan".**

- *Coordinated with academic departments to verify applicant eligibility and completeness of admission requirements.*

International Journal of contemporary issues in social sciences.

03/2024

-I have a strong research background, with publications in esteemed journals. I authored articles in reputable journals.

I have a proven track record of publishing solo-authored articles in reputable journals, demonstrating expertise in designing, conducting, and publishing research independently.

- Beside that i am also skilled in conceptualizing, researching, and writing good-quality articles without collaboration, showcasing ability to work autonomously and drive research projects forward.

-Write engaging and well-structured articles without external input.

-Skilled in writing clear, concise, and engaging articles that showcase research findings.

-These publications demonstrate my ability to work independently, design and conduct research, with a good write-up quality.

- **"Russia Militarization of the Black Sea: Challenges for NATO and Regional Security".**
