ABOUT MYSELF

Economics professional with a Bachelor's (2023) and Master's degree (2026), distinguished by three research publications reflecting strong analytical and research excellence. Began my career in academia as an Economics Teacher before transitioning into the banking sector. Currently serving as a Business Development Officer at Meezan Bank, combining economic insight with strategic client engagement to drive sustainable business growth. Committed to excellence, integrity, and delivering measurable results.

WORK EXPERIENCE

● **Meezan Bank Limited** Nowshera, Pakistan

Business Development Office

24/07/2024 - Current

- Identifying and developing new business opportunities by acquiring clients, promoting Islamic banking products, and expanding the customer portfolio. In addition, building and maintaining strong client relationships, providing tailored financial solutions to enhance customer satisfaction and retention. Moreover, achieving sales and deposit targets through strategic market analysis, lead generation, and effective cross-selling of banking products and services.

● **Govt Post Graduate College Nowshera** Nowshera, Pakistan

Visiting Lecturer Economics

06/03/2024 - 14/07/2024

- Delivered comprehensive lectures in Microeconomics, Macroeconomics, and Applied Economics, simplifying complex theories into practical, real-world insights. Furthermore, designed assessments, evaluated student performance, and provided academic mentorship to strengthen analytical and critical thinking skills.
