M. TAIMUR JAMIL CHUGHTAI

Architect/ Artist/ Photographer

INTRODUCTION :

I, **M. Taimur Jamil Chughtai** am an architect, an artist, and a photographer based in Islamabad, and a graduate of the **National College of Arts, Rawalpindi (2026)**. My work explores light as a central design element, drawing from brutalism and de-constructivism in architecture while practicing architectural, street, and experimental photography. I approach design through experimentation and spatial psychology, challenging conventions to create new narrative and visual expressions.
