

Hifsa Aimen

SUMMARY

As a graduate with a major in Political Science, I have acquired diverse range of skills that equip me for success in various professional settings. Firstly, my in-depth understanding of political systems, theories, and ideologies allows me to analyze complex political issues. I have developed strong critical thinking skills, which allow me to assess the implications of political decisions, evaluate policy options and propose solutions. I am well equipped to contribute to Public administration, Teaching, Advocacy or any other Field demanding profound insight and robust analytical abilities.
