PROFESSIONAL PROFILE

Dedicated Sociology professional and Visiting Lecturer at Fatima Jinnah Women University with expertise in teaching, academic research, and field-based social development projects. Experienced in delivering interdisciplinary courses, supervising student research, and conducting data-driven studies on health, education, and human trafficking in collaboration with national and international organizations. Skilled in qualitative and quantitative research, stakeholder coordination, and evidence-based academic practice.

❖ PROFESSIONAL EXPERIENCE

○ Visiting Lecturer

Fatima Jinnah Women University Rawalpindi | Feb 2023 – Present

Served as a Visiting Lecturer across multiple departments, delivering undergraduate-level courses in Sociology and interdisciplinary social sciences. Responsible for course delivery, academic mentoring, assessment design, and student engagement through activity-based and research-oriented learning approaches.

Courses Taught:

Introduction to Sociology, Sociology of Institutions, Art, Culture & Society, Social Policy and Governance, Civic and Community Engagement, Sociology of Marriage and Family, Conflict Resolution, Human Resource Management (HRM)

Key Responsibilities:

- Designed course outlines, lesson plans, and assessment strategies in alignment with departmental requirements
- Conducted lectures, presentations, and interactive classroom discussions
- Supervised student projects, presentations, and field-based assignments
- Evaluated examinations, quizzes, and research work
- Promoted critical thinking through case studies, surveys, and analytical reports.
- Provided academic mentoring and career guidance to students

○ Research Assistant

Fatima Jinnah Women University, Rawalpindi

Project in Collaboration with University of Manitoba, Canada

| Mar 2022 – Feb 2023

- Contributed to the project titled ***“An Intervention Study to Promote Health and Knowledge Practices among Young Students of FJWU.”***

- Collected primary data through surveys and research tools under supervisor guidance.
- Compiled and organized research data for documentation and analysis.

○ Research Assistant (Internship Leading to Job)

Sustainable Social Development Organization | July 2020 – Feb 2022

- Contributed to the project ***“Combating Human Trafficking in Pakistan Through Improved Legal Framework, Institutional Coordination, Referrals, Rehabilitation, and Social Awareness.”***
- Conducted primary data collection through field coordination, stakeholder engagement, and documentation support.
- Assisted in compiling research findings for stakeholder consultations and policy dialogues.
