SUMMARY

Highly motivated Pharmacist with an M.Phil in Pharmacognosy and extensive experience in clinical pharmacy, research, and teaching. Seeking a challenging academic position to leverage expertise in pharmacognosy, phytochemistry, and natural product research, while delivering quality education, mentoring students, and contributing to innovative research in pharmaceutical sciences.

KEY SKILLS

Patient Counseling & Medication-Safety	Drug Interaction and Therapy Review	Quality Inspection
Clinical Research	MS Office and Documentation	Analytical Skill
	Pharmacotherapeutics	Communication Skill

PROFESSIONAL EXPERIENCE

Lecturer Pharmacognosy, The University of Lahore-Sargodha Campus. Feb 2026 - Present

- Prepare and deliver lectures, tutorials, and practical sessions in Pharmacognosy, Phytochemistry, Herbal Drug Technology, and related subjects.
- Design and update course materials, including syllabus, lesson plans, handouts, and lab manuals.
- Integrate modern teaching tools such as multimedia, virtual labs, and interactive sessions to enhance student learning.

Quality Control Analyst Intern, Martin Dow Mark Ltd. Qta Sep 2025 - Nov 2025

- Assist in bulk inspections: Help receive and inspect raw materials, perform sampling, and coordinate testing within the defined turnaround time.
- Maintain lab compliance: ensure the lab environment meets cGMP and safety standards, report any incidents or out-of-specification results promptly.
- Learn SOPs: Follow standard operating procedures for sampling, testing, and equipment handling, and shadow senior analysts to understand the full QC workflow

Trainee Pharmacist (Part Time), Yaseen Hospital Qta Feb 2023 - Sep 2023

- Improved pharmacy operations through workflow enhancements, inventory management, and audits, ensuring compliance and preventing theft.
- Educating patients on proper medication use and management.
- Strengthened healthcare collaboration to optimize patient care, medication adherence, and patient education on drug interactions and administration.

Pharmacist Intern, BINUQ Qta May 2023 - June 2023

- Successfully completed internship with enhanced pharmacy skills, contributing to inventory control, medication organization, accurate dispensing, and effective patient counseling to ensure safe therapy and improved quality of life

Pharmacist Intern, SKMCH & RC, Lahore Jan 2023 - Feb 2023

- Completed internship with demonstrated growth in pharmacy skills, contributing to inventory management and medication organization. Provided clear medication counseling, ensuring patient understanding, and accurately prepared prescription packaging and labels.

Pharmacist Intern, The Children Hospital, Lahore Jan 2022 - Feb 2022

- Contributed to patient care by participating in interdisciplinary rounds, developing drug therapy plans, and dispensing medications under pharmacist supervision.

Clinical Clerkship Pharmacist, Bolan Medical Complex, Qta Nov 2021 - Nov 2021

- I visit Gastroenterology Ward of Bolan Medical Complex for 1 week during Clinical Pharmacy Clerkship. I followed the patient profile in order to eliminate the errors in the medications provided to the patients in ward for achieving definite outcome to improve the patient quality of life.
