PROFILE SUMMARY

A dedicated pharmacist with a deep commitment to improving patient outcomes through personalized care and medication management. I am eager to transition into clinical pharmacy to apply my expertise in pharmacology and therapeutic decision-making. With a strong foundation in both community and hospital pharmacy settings, I'm excited to collaborate with healthcare teams and take an active role in optimizing treatments, managing complex drug regimens, and advancing clinical care. Looking to bring my energy, enthusiasm, and problem-solving skills to a dynamic clinical environment where I can continually grow and contribute to positive patient care.
