SUMMARY

I specialized in science teaching, with a focus on new era demand of teaching strategies. Currently, serving as a faculty member in the Department of Education at Fatima Jinnah Women University, delivering undergraduate and postgraduate courses in educational theory and practice. Contributed to academic research, student mentoring, curriculum development, and quality enhancement initiatives. Moreover, I am Senior Science Teacher at Punjab Education Department, Rawalpindi, Pakistan committed to education and fostering positive learning environments.

Passionate about engaging students on all levels, enhancing their social experiences by encouraging group lessons and learning over 10 years. Talented in using different teaching methods to reach out to students, including physical demonstrations, drawn illustrations and visual presentations.
