Experience

2023

PTCL (Islamabad Zonal office)

INTERNSHIP

During my finance internship, I developed a strong foundation in financial analysis, including reviewing financial statements, conducting ratio analysis, and assisting in budgeting and forecasting tasks. I gained hands-on experience with financial tools like MS Excel and contributed to investment research and portfolio management. Additionally, I enhanced my understanding of accounting fundamentals through bookkeeping and reconciliations. Working in a collaborative environment, I honed my communication, time management, and teamwork skills, while gaining exposure to compliance, corporate governance, and ethical practices in finance. This experience sharpened my problem-solving abilities and adaptability in a fast-paced, dynamic setting.
