Education

AIR UNIVERSITY

Master of Project Management (CGPA: 3.70)

Islamabad, Pakistan

2025 – 2026

QUAID-I-AZAM UNIVERSITY

Bachelor of Public Administration (CGPA: 3.70)

Islamabad, Pakistan

2020 – 2024

Professional Experience

TEACH FOR PAKISTAN

Islamabad, Pakistan

Pakistan's leading education nonprofit working to eliminate educational inequity across under-resourced schools

Teaching Fellow

July 2024 – June 2026

- *Social Impact:* Delivered sustained educational impact to 150+ students across two academic years in an underserved school setting, improving Science mastery from 24% to 83% and Mathematics from 17% to 73% through consistent, data-driven intervention
- *Monitoring and Evaluation:* Maintained structured academic and attendance records, used regular data cycles to assess progress, identify gaps, and adjust strategies against measurable targets
- *Community Engagement:* Built active relationships with parents, students, and school leadership to support holistic student development, creating lasting change in school culture and community ownership of learning
- *Wellbeing and SEL:* Collaborated with teachers to implement positive discipline strategies and reduce reliance on corporal punishment, contributing to a healthier and more supportive school environment
- *Selection:* Chosen from over 3,000 applicants, placing in the top 3% through a rigorous multi-stage assessment process

Assessment Centre Selector, Recruitment Team

February 2026

- *Evaluation:* Assessed 24 fellowship candidates using structured competency rubrics, identifying high-potential individuals for the fellowship through rigorous and fair evaluation

Research and Academic Experience

SKILLISTAN

Islamabad, Pakistan

A Pakistan-focused research and policy initiative examining climate, governance, and development challenges

Research Author

July 2025

- *Climate and Sustainability Research:* Authored structured research on Pakistan-specific climate challenges including floods, gender and climate, urban governance, and environmental policy, analysing root causes and evaluating policy responses
- *Policy Recommendations:* Proposed evidence-based, context-specific solutions grounded in Pakistan's regulatory and development landscape, with attention to systemic and institutional barriers

ROSHNI KA SAFAR (CPP PROJECT)

Islamabad, Pakistan

A funded Social Emotional Learning initiative implemented in a government school in partnership with Teach For Pakistan

Project Lead

Sep 2025 – May 2026

- *Impact Project Design:* Conducted a full needs assessment, designed a Social Emotional Learning framework, and implemented a structured community intervention addressing student wellbeing and engagement in an underserved school
- *Funding and Resource Mobilisation:* Secured PKR 40,000 in grant funding through proposal development and competitive panel pitching; managed project budget and financial documentation throughout the cycle
- *Sustainability and Scale:* Mobilised school leadership and parents into genuine ownership of the project, ensuring its continuation and embedding beyond the formal project timeline

BURAAQ ACADEMY

Islamabad, Pakistan

Constitutional and governance research project analysing Pakistan's regulatory framework

Lead Researcher

Aug 2023 – Oct 2023

- *Governance Research:* Conducted analytical research on constitutional provisions and governance implications using academic and legal sources, synthesising findings into structured policy-facing reports

Extracurricular and Volunteer Experience

AMAL ACADEMY (STANFORD FUNDED)

Islamabad, Pakistan

Pakistan's leading career-prep fellowship for underserved university students, launched from Stanford University

Career-Prep Fellow | Amal Ambassador

Oct 2023 – Mar 2024

- *Community Impact:* Led the Kumak initiative distributing 150+ meals to daily-wage labourers through community partnerships and donor coordination, and received Best Project Award for leading an 8-member team project
- *Outreach:* As Amal Ambassador, engaged 50+ prospective candidates one-on-one, led campaigns at NUST and Quaid-i-Azam University, achieving 30+ direct sign-ups

ZINDIGI PRIZE (JS BANK)

Islamabad, Pakistan

National entrepreneurship competition for university students organised in partnership with JS Bank

Management Team Head

Oct 2023 – Jun 2024

- *Programme Coordination:* Led planning and execution of a national competition mentoring 12 startups; coordinated across university administration, faculty, sponsors, judges, and vendors
- *Fundraising:* Raised PKR 30,000+ in event funding through stakeholder outreach and partner engagement
