📍 House 186, Street 55, G-7/2

## Summary

Enthusiastic Clinical Psychologist with extensive internship experience in healthcare, rehabilitation, and behavioral services. Skilled in data collection, quality assurance, report writing, and client management. Adept at monitoring program activities, providing feedback for improvement, and documenting lessons learned. Strong communicator with proven ability to adapt and work collaboratively in multidisciplinary teams, seeking to leverage organizational and monitoring skills in a Monitoring & Evaluation Officer role aligned with development projects.
