Secondary School Certificate (SSC) Secondary School Certificate/Matriculation Science Allama iqbal Model School Tramri Islamabad 2018 - 2019 Grade/Percentage: 80 Marks: 847/1050

PRIMARY WORK EXPERIENCE

Student Counselor

Asas International consultant

Jan 2025 - Jan 2026

Guided students in selecting suitable international programs, preparing application materials, and understanding visa and scholarship procedures, leading to several successful admissions abroad. Conducted personalised counselling sessions to assess academic profiles and career goals, improving student satisfaction and trust in consultancy services. Collaborated with global university representatives and maintained updated knowledge of admission policies, ensuring accurate and timely guidance for applicants.

Startup Incubation

GIK catalyst Incubation Swabi, KPK

May 2024 - Nov 2024

• We have developed a filter paper using nanotechnology (Graphene) to solve the water purification problem. • I started at the NUST incubation centre and moved to the National Incubation Center for Aerospace Technologies, and now I am at GIKI University Incubation. • We won the regional round of the Zindagi Prize Startup Competition, reached the top 50 in the SEE World Startup Competition from 700 teams, and placed in the top 5 in the Sustainability category of the Google Startup Competition. Actively involved in programs like LCOY, SPDI, and IBA Karachi to expand our entrepreneurial impact. • Ten filters were sold in Sindh; this filter paper uses no electricity and is biodegradable.
